Payment Methods

Only EXACT cash or checks made payable to the respective vendors will be accepted.

How to Obtain a Ticket/Pass Even If You're Not Here

If you will not be here during the specified dates/times, you may still obtain a ticket/pass by designating someone to do it for you. Please send an email to the person you have asked stating that you authorize them to purchase a ticket/pass on your behalf. Give them a check, or exact cash, to cover your expense. They (designee) must then bring a copy of the email to the sales center when they come to make their purchase. Written notes are not acceptable because we cannot easily verify that the person who wrote the note is the same one making the request.
